

Seminar in Computer Architecture

Meeting 4: Student Presentation

Prof. Onur Mutlu

ETH Zürich

Spring 2020

19 March 2020

After-session Quiz

- A very **short questionnaire** (e.g., 5 multiple choice questions (**MCQs**)).
- It covers the presented paper. That is, after each lecture, you will have **two quizzes**.
- The questionnaire is available on **Moodle** right after the lecture and it will remain open for **2 hours**.
<https://moodle-app2.let.ethz.ch/course/view.php?id=12286#section-1>
- The questions are **extracted only from the slides**, such that the students can answer the questions by only attending the talk and without reading the paper.

Discussion

- It is important that everyone participates during **Zoom meetings** and through **Moodle**.
- Remember: for each presentation, you have 10-20 minutes for discussion.
- For Moodle Discussion: <https://moodle-app2.let.ethz.ch/course/view.php?id=12286#section-2>

Grading Rubric

- **Quality of your presentation (60%)**
 - ❑ How well did you understand the material?
 - ❑ How well did you present it?
 - ❑ How well did you answer the questions?
 - ❑ Be prepared to explain technical terms
 - ❑ **We will take into account** the difficulty of the paper and the time you had to prepare.
- **Quality of the final synthesis paper (30%)**
 - ❑ How well did you understand some of the papers presented during the seminar?
- **Attendance (10%)**
- **Participation (during class and online) (BONUS 10%)**
 - ❑ Did you ask good questions?
 - ❑ Did you attend all sessions?
