Other Optional Reviews: Many

- There are too many to list...
 - What I provided is just a sampling...
- Many other important references are in lecture slides.
- I would recommend rigorously reading as many as possible.
- Recall that “Chance favors the prepared mind.”
 - Critical rigorous analysis of key papers is great preparation
- You can use my website as a resource for papers & artifacts
 - <https://people.inf.ethz.ch/omutlu/projects.htm>
